## Consulting Opportunities: Helping Nonprofits Thrive

### About SoarMCG

SoarMCG's mission is to strengthen the impact of nonprofits in the Greater Boston area by providing pro bono management consulting services. In over ten years, SoarMCG has provided thousands of hours of consultations and helped over 75 nonprofits through its model of strategic, collaborative and action oriented problem solving.

### Volunteer Consultants

SoarMCG is seeking accomplished public, nonprofit and private sector management professionals with a commitment to positive social impact. SoarMCG provides professional development to enhance your consultations with nonprofit organizations in the Greater Boston area. Consultants work on project teams that provide meaningful and stimulating opportunities for professional growth. Flexible scheduling allows consultants to contribute to team efforts while meeting their other commitments.
