

-
- **Would you like to use your management experience to help nonprofits thrive?**
 - **Are you looking for a volunteer opportunity?**
 - **Do you enjoy working as a part of a team?**

Consider Becoming a SOAR Management Consultant

Why SOAR?

- Apply your professional expertise to help nonprofits grow and develop
- Collaborate with consultants from diverse backgrounds
- Enhance your management consulting skills through ongoing professional development opportunities

What does SOAR do?

SOAR Management Consultant Group offers pro bono management consulting services to nonprofits and public agencies in Boston and surrounding communities. Volunteer teams of accomplished professionals with a wide variety of skills and backgrounds work collaboratively to help nonprofits grow and achieve greater social impact.

Consulting and Professional Development Opportunities starting in September. Learn more at <https://soarmcg.org>.
